Letter Of Recommendation

Date: 15 October 2025

To Whomsoever It May Concern,

It is with great pleasure that we write this letter to recommend **ashish raj**, who successfully completed their internship as a Full Stack Web Development Intern at Labmentix Pvt. Ltd. from **15-Apr-2025** to **15-Oct-2025**.

During the internship, **ashish** demonstrated strong technical skills in **frontend technologies** (HTML, CSS, JavaScript, React/Vue/Angular) and **backend technologies** (Node.js, Express.js, Python/Django, PHP, etc.), along with database management (MySQL, MongoDB). He actively contributed to the design, development, and testing of our web applications, delivering high-quality, functional, and efficient solutions.

In addition to technical proficiency, **ashish** displayed excellent problem-solving skills, adaptability, and a strong willingness to learn. He worked collaboratively within a team environment, effectively communicating ideas, and were proactive in taking ownership of assigned tasks.

We highly recommend **ashish raj** for any opportunity in the field of **Full Stack Web Development** or related domains.

For any further information, please feel free to contact us at support@labmentix.in or 80807 31908.

Sincerely,
